A night sky filled with numerous small, bright stars. A white, curved banner or ribbon arches across the upper portion of the frame. In the bottom-left corner, a large, textured yellow celestial body, possibly a planet or moon, is partially visible. The overall scene is dark and atmospheric.

A very long time ago, right here in this world,

there was a garden.

In the garden,
everything was wonderful.
The world was full of laughing
and playing and smiling and fun.

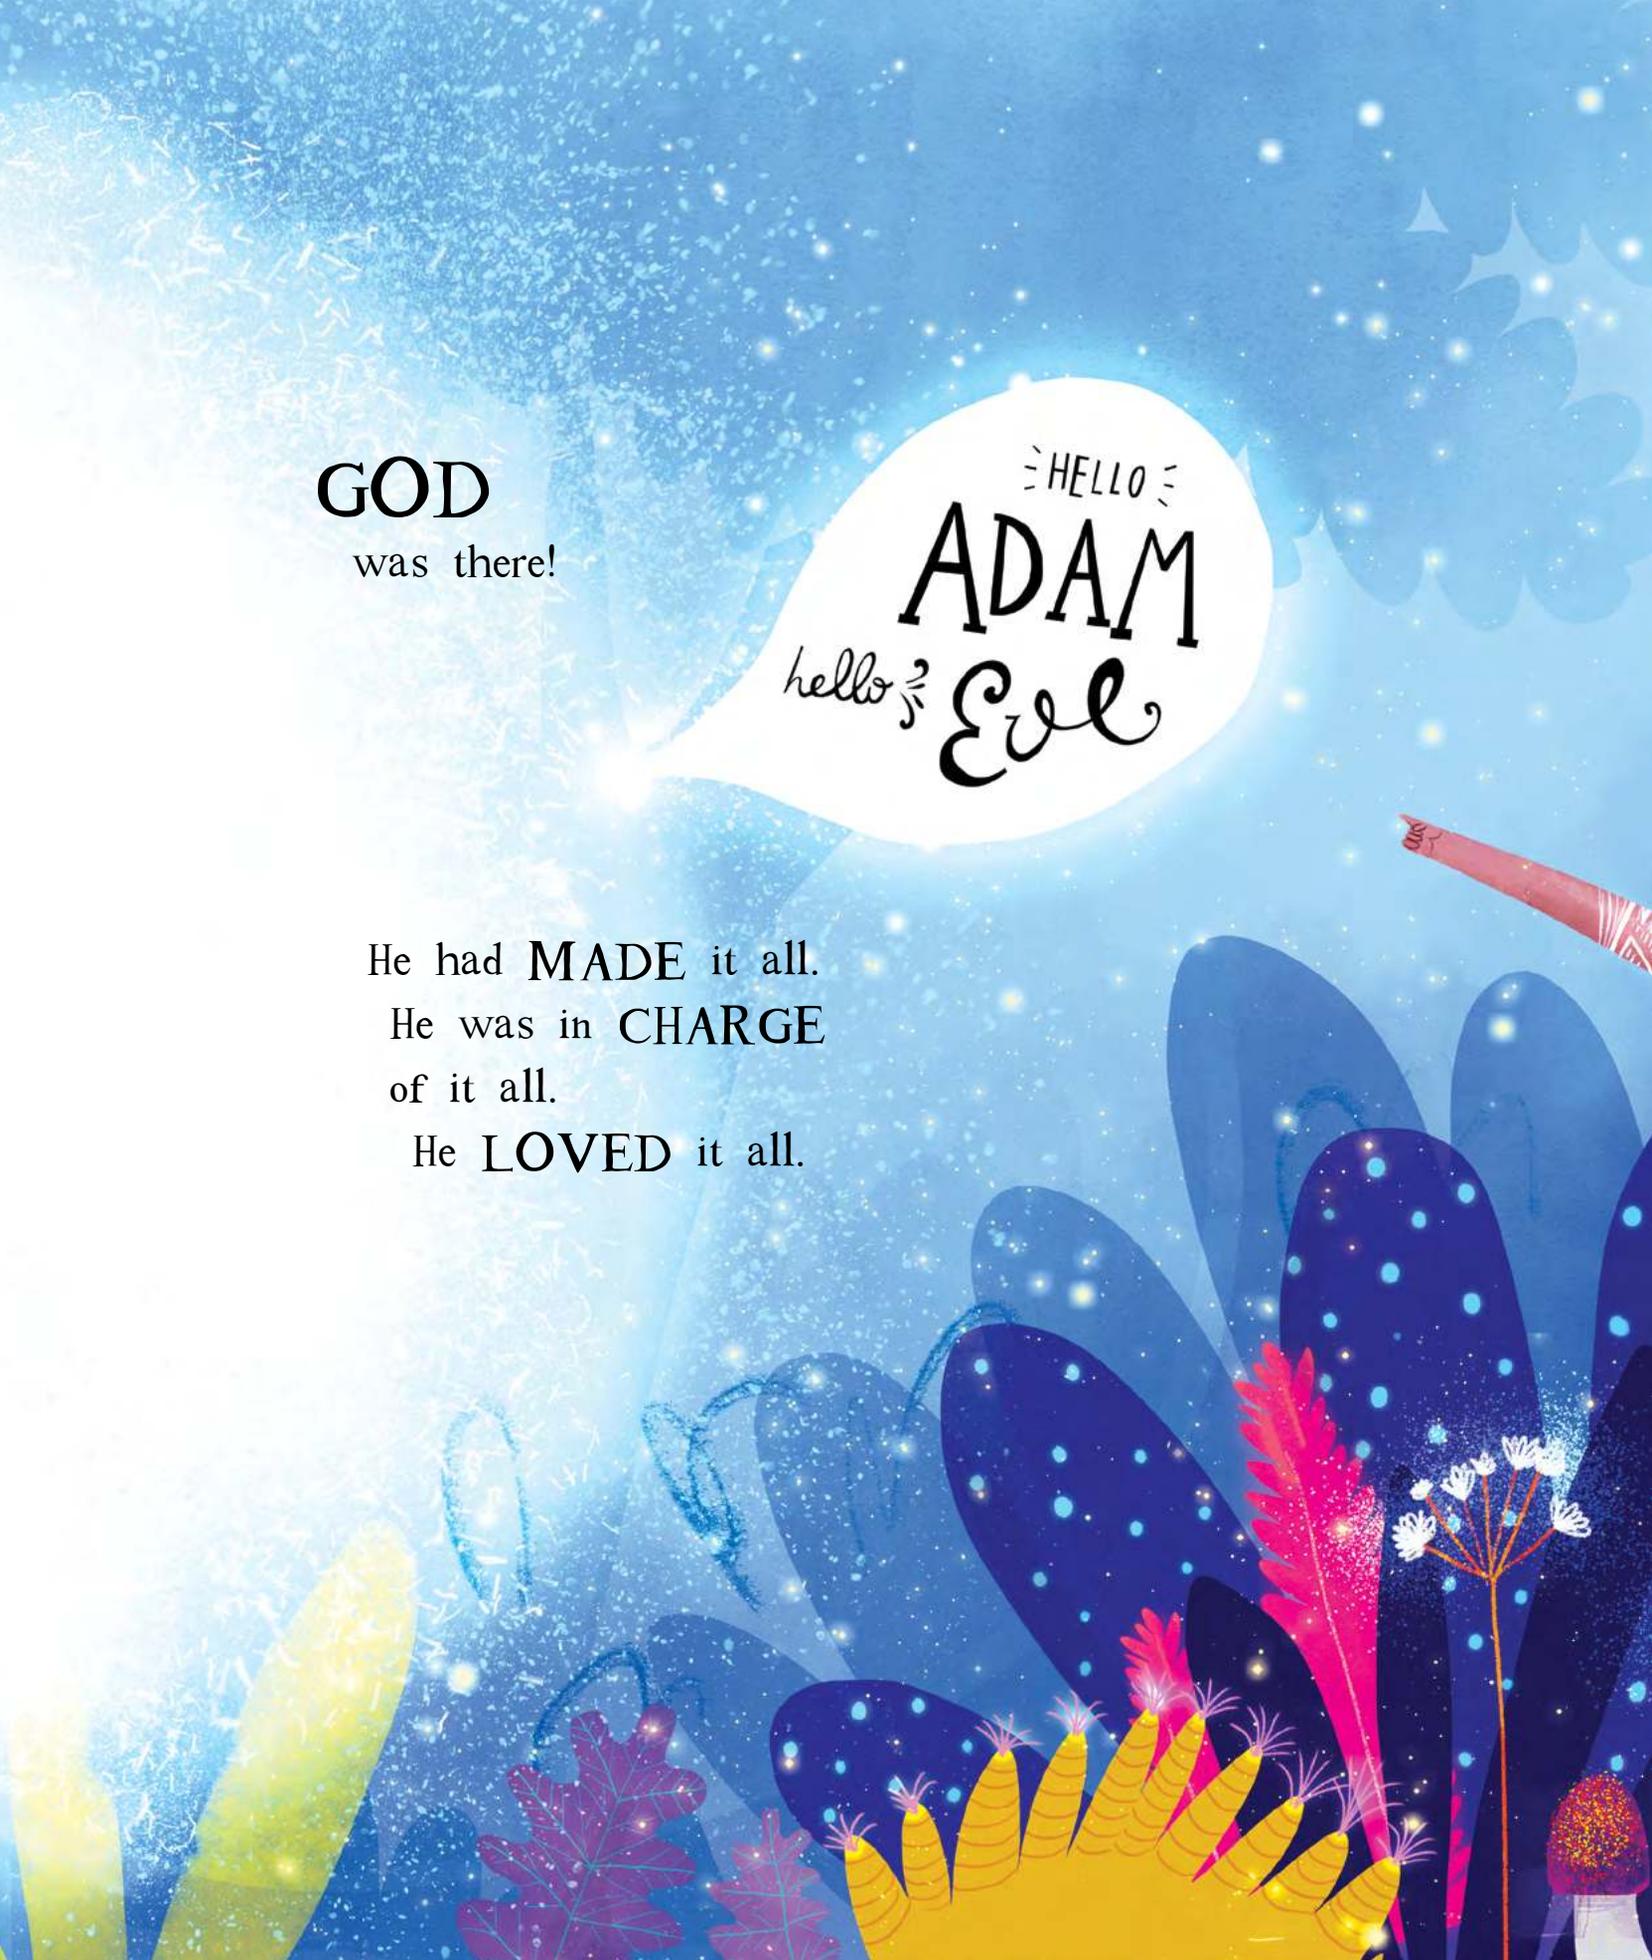

There was nothing bad, ever.
There was no one sad, ever.
And best of all...

GOD
was there!

HELLO
ADAM
hello
Eve

He had **MADE** it all.
He was in **CHARGE**
of it all.
He **LOVED** it all.

People could see God,
and speak to God,
and just enjoy *being*
with God.

EVE!
GOD'S HERE!
HE WANTS TO WALK
WITH US AGAIN-
HOW COOL
IS THAT?!

⇒yay!⇐
I bet it's going to be
ever MORE
amazing than
Yesterday!

It was wonderful
to live with God.
But then, one day...
